

Protecting Ministries

Reducing Risk. Raising Expectations.

*Did you know
that most
service-related
injuries are
caused by
unsafe acts,
not unsafe
conditions?*

Safe behavior begins with:

- Being responsible for performing your service to the Parish in a safe manner.
- Knowing the proper safety procedures to follow when performing your assigned tasks.
- Informing your supervisor immediately if you witness an unsafe condition or act.
- Doing your job the right way each time and not taking shortcuts.
- Becoming part of the solution by joining your Parish's safety committee.
- Being vigilant in identifying improper or unsafe practices, and taking active measures to improve them.

Remember, sharing your talents with **safe behavior is contagious** and may prevent you or a parish member from getting injured.

Make Ministry Protection a habit!
